

ILLUMAGEAR 

The Halo Light™

See and be **Seen**

The **Halo Light™** is a patented 360° personal active safety system (PASS) that attaches to any hard hat and produces a halo of light around the wearer enabling him or her to see and be seen in all directions at all times.

Whether working on a foggy or rain soaked morning, in the dark days of winter, in an unlit interior, or on a nighttime road job, The Halo Light ensures you are seen in all directions at all times, and that your personal work area is always illuminated.

Be Seen at All Times

The Halo Light ensures you are seen in all directions at all times
