# DOOSAN

## About Us

Doosan Portable Power has more than 100 years of manufacturing expertise and application experience, with a focus on providing the highest quality machines with unrivaled customer service. Our market leading product line of portable air compressors, mobile generators and light towers are proudly built in the USA. Doosan Portable Power is headquartered in Statesville, North Carolina, and was established in 2007 when Doosan Infracore purchased Ingersoll-Rand's Utility Equipment division.

Today, Doosan Portable Power is a subsidiary of Doosan Bobcat Inc. Doosan Bobcat is an industry leader in the engineering, manufacturing and marketing of construction equipment, and also represents the Bobcat brand. Doosan Bobcat is committed to delivering innovative products and services that provide quality and value.

## Powerful Solutions

At Doosan Portable Power, we do more than provide superior products. We deliver powerful solutions to move your business forward. Robust portable air compressors that perform on the most demanding job sites. Mobile generators and light towers that are reliable and efficient. Factor in our industry-leading service and support, and it's quite clear that partnering with us is a smart return on your investment.

### Dependability

Our equipment is built to last with corrosion-resistant galvanized steel enclosures and a durable, baked-on powder coat finish. Extensive testing at our Statesville, North Carolina facility includes a test track, tilt table, and cold chamber to ensure our machines will perform in the harshest conditions and applications.

Doosan is fully committed to delivering quality machines that maximize uptime and productivity to give you peace of mind.

---

*“The quality is a 10. The durability is a 10.”*

**-Jack Anderson**, Pape Material Handling

### Performance

Doosan Portable Power gives you the power you need in the most efficient manner. We provide leading fuel economy and performance while ensuring compliance with the latest emissions standards.

Doosan also offers unmatched versatility to support almost every job or application. And with user friendly controls and diagnostics, anyone can operate our equipment with minimal instruction.

---

*“Doosan has always performed well for us.”*

**-Mark Grimes**, Industrial Marine

### Serviceability

Doosan has an extensive and knowledgeable dealer network. Our dealer-partners have a deep understanding of your business and can provide the solutions you demand.

All of our products are engineered and designed with an emphasis on accessibility to make sure routine maintenance is quick and easy to perform without having to take the machine apart.

---

*“Parts and service are always there when we need it.”*

**- Mike Venuti**, Meruelo Group

## LCV LIGHT TOWER

### The Right Spec for your Small-Body Light Tower

For reliable illumination of special events, road and bridge construction, emergency and disaster relief, and general construction sites, choose the Doosan LCV. Doosan Portable Power's first vertical mast light tower, the LCV, has a compact footprint for increased jobsite mobility and cost-effective transport. The LCV light tower features a Kubota diesel engine paired with a high output alternator, providing light and power with class-leading run-time. Our clamshell-style canopy is made of a durable, lightweight composite material that lifts easily for access to service points.

Industry-leading runtime of 105 hours on a single fill

Durable Kubota engine with 1,000-hour service intervals reduces downtime and maintenance costs

Industry-leading factory warranty providing 2-year/2,000-hour bumper-to-bumper coverage

## BALLOON LIGHT

### Rugged and Reliable for Rental & Construction Applications

The BL2000 balloon light from Doosan Portable Power plugs into any three-prong, 120-volt, 20-amp outlet and provides 2,000 watts of quiet, glare-free light. Using Doosan stands with tilting grip heads accommodates various mounting devices to provide illumination where it is needed. For road paving, special events, entertainment and other applications where glare-free light is required, the BL2000 is the optimal choice.

Automatically inflating tubular envelope and internal reflector combine to illuminate a large area

Cage is lightweight, but strong and protects lamps from contact with the envelope

Suspension-mounted lamp holder provides extra protection against rough handling

Automatic shutoff protects against high internal temperatures

Uses two readily available 1,000-watt bulbs for easy replacement

Durable storage case included

### Optional Mounting Devices

Mounting devices and other parts available through the Doosan Aftermarket Department:

#### Pole Mount

7' – 15' extension mounts to any equipment with locally sourced hardware

#### Hitch-Mount

7' – 15' extension mounts directly to a vehicle's receiver hitch

#### Tripod Stands

7' – 19' extension or 7' – 24' extension for stand-alone uses

## Generators

### Small

**G25 | G40 | G50**

Doosan Portable Power features a comprehensive mobile generator line up, ready to supply the power you need at the touch of a button. With customer friendly control panels, no generator has ever been easier to use.

### Medium

**G70 | G125 | G150**

Challenging applications demand powerful alternators. Doosan specifies high-output, separately excited alternators that ensure unmatched motor starting capability and precision voltage control.

### Large

**G190 | G240 | G325 | G400**

Doosan mobile generators have been designed with the service technician in mind. With 500 hour intervals between fluid and filter exchanges, you can be sure that downtime for maintenance is minimized. All maintenance points are easily accessible and designed for fast and easy service.

### Natural Gas

**NG160 | NG225 | NG295**

Designed to operate on municipal-supplied natural gas, liquid propane, and a broad range of oilfield wellhead fuel, these models are reliable, efficient and can greatly reduce operating costs compared with diesel units.

## Light Compaction

### Forward Vibratory Plate Compactors

**BX-60WH | BX-80WH | BX-120WH | VP-8RH**

Versatility & reliability

### Reversible Vibratory Plate Compactors

**BXR-60H | BXR-100H | BXR-200H | BXR-300H**

Built to perform, built to last

## Air Compressors

### Small & Medium Air

**P185 | P185 Utility | XP185 Utility  
P250/HP210 | C185 | P425/HP375  
HP450/VHP400**

Our high-performance Doosan engines feature diesel oxidation catalyst (DOC) aftertreatment system, which is virtually maintenance-free. Our spin-on oil separation system reduces element changes to just two minutes.

### Large Air Low Pressure

**XP825/HP750 | HP915 | HP1600**

An enhanced ViewPort control panel, easy access to manuals, full color back-lit LED displays, and industry-leading service intervals streamline machine operation.

### Large Air High Pressure

**XHP750 | XHP1170**

Doosan designed and manufactured airends require less horsepower to deliver a high-volume cfm output for greater fuel economy.

### OIL, FILTERS & AIREND FLUIDS

Protect your investment in quality equipment with genuine OEM parts. Doosan Portable Power is your source for the highest-quality parts, filters and lubricants for your Doosan Portable Power products.

## Walk-Behind Vibratory Rollers

**SX-170H | DX-500E | DX-600H | DX-600E | DX-700H | DX-700E**

Smooth, efficient compaction in complex applications

## Upright Rammers

**RX-264H | RX-304H | RX-344H**

Charged with industry-leading impact forces

### REMANUFACTURING PROGRAM

Doosan's Certified Remanufacturing Program extends the life of your Doosan or Ingersoll-Rand portable air compressor or mobile generator, offering like-new performance at less cost, complete with a new warranty. Our Airend Exchange Program or remanufactured starters and alternators can also save you money.

# ***DOOSAN***

Experience Doosan Portable Power and our industry-leading support and service. Whatever the job, we have the solution. From our comprehensive range of reliable air compressors, to lighting systems and generators, we have a solution to fit your needs. Running a successful business takes more than powerful equipment. That's why Doosan Portable Power partners with an experienced dealer network to stand beside you every step of the way. Doosan Portable Power — more than 100 years of providing excellence.
