

Applications are now being accepted for the **2016 Food Logistics Champions: Rock Stars of the Supply Chain**, an annual award that is published in our March issue. The *Food Logistics Champions: Rock Stars of the Supply Chain*, which debuted in 2015, recognizes influential individuals in our industry whose achievements, hard work and vision have shaped and attained milestones in safety, efficiency, productivity and innovation throughout the global food supply chain. From early pioneers and entrepreneurs to non-conformist thinkers and executive standouts, *Food Logistics Champions: Rock Stars of the Supply Chain* aims to honor these leaders and their contributions to our industry.

The individuals selected as *Food Logistics Champions: Rock Stars of the Supply Chain*, will be profiled in the March 2016 issue.

To nominate an individual (or to self-nominate), please complete the following questionnaire. The honorees will be determined by *Food Logistics'* editorial staff and advisory board.
