

**Table 1.** Activities supported by NIDCD's Mentoring Networks that enhance Clinician-Scientists' participation in R25 Program (PAR-21-187).

## Examples of Mentoring Networks Activities

- From Clinician to Researcher Workshops
- Research Concept Development Activities
- Networking Development Activities
- Distance and Virtual Mentoring
- Basic Research Workshops
- Clinical Research Workshops
- Translational Research Workshops
- Team-Science Activities
- Scientific Writing Workshops
- Grantsmanship Training Workshops
- Publishing Peer-Reviewed Journals
- Obtaining Research Funding Workshops
- Management Skill Development Workshops
- Career Transitions Workshops
- Scientific Independence Activities
- Mentoring Training
- Mentor's Development
- Research Funding Sustainability
- Entrepreneurship Workshops
- Careers in Biomedical Research
- Academic Research Activities
- Industry Research Activities
