Private Events

A person is walking from left to right across a dark, reflective floor. The background is a vast, colorful nebula with swirling clouds of red, orange, yellow, green, and blue, interspersed with numerous small white stars. The lighting is dramatic, with the person's silhouette clearly defined against the bright, multi-colored light.

A food cart on wheels, filled with various appetizers and drinks. The cart has two large spoked wheels and a smaller front wheel. On the cart, there are several trays of food, including a large platter of sliced meats, a tray of fruit and cheese, a basket of bread, and several jars of dips and condiments. There are also stacks of white napkins and a small potted plant on the cart. The background shows a room with a large window and some white chairs.
