

GOODBYE OWNERSHIP, HELLO USERSHIP

Discover all the benefits of a
subscription-based vending solution
from UStockit.

USTOCKIT'S SUBSCRIPTION MODEL MEANS YOU FOCUS ON YOUR BUSINESS; WE'LL MANAGE THE INVENTORY.

LOW COST

No big check to write for equipment and software — one low monthly fee.

FLEXIBLE SOLUTION

A full range of inventory control products that cover all of your customers requirements, today and tomorrow.

WIN BUSINESS

Get an edge on your competition. Increase your value proposition and deliver a leading-edge customer experience.

LOW RISK

You're covered for the life of the subscription, with expert support from experienced professionals.

LOW COST

AUTOMATED INVENTORY CONTROL IS NOW WITHIN YOUR REACH

AS LOW AS **\$250** /MO

UStockit's no-hassle, subscription-based solution makes inventory control a reality for a whole new tier of customers. It's time to vend for yourself.

WIN BUSINESS

INVENTORY CONTROL FOR THE NOT SO BIG GUYS

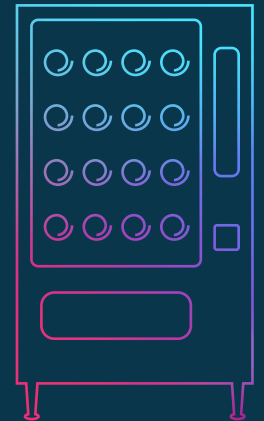

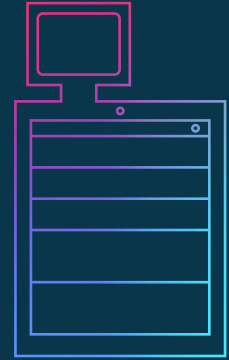

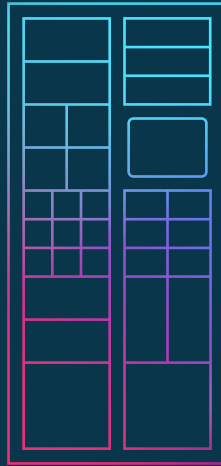

UStockit enables qualified distributors to offer inventory control solutions to their customers that could not previously justify the capital expense of a system. Qualification is easy, only requiring a few minutes time.

FLEXIBLE SOLUTION

MEET THE FAMILY

UStockit's full line of inventory control products include the most popular SupplyPro systems in addition to exciting new products focused on emerging distributor requirements.

LOW RISK

BACKED BY **SUPPLYPRO** EXPERIENCE, QUALITY AND INNOVATION

SUPPLYPRO®

UStockit is the subscription division of SupplyPro. Dedicated to delivering economical, innovative inventory control solutions for every warehouse, crib or store room — wherever materials need to be managed. Leveraging over 20 years of experience managing trillions of transactions, SupplyPro is bringing enormous experience to expand inventory management.
