

INDUSTRIAL DISTRIBUTION

NOVEMBER/DECEMBER ISSUE

INDUSTRIAL DISTRIBUTION HIGHLIGHTS:

- *Industrial Distribution* covers the distributor market with the information distributors need to succeed since 1911.
- ID reaches 30,000+ key decision makers in upper management, purchasing, and sales.

NOVEMBER/DECEMBER ISSUE HIGHLIGHTS:

- **ID's 2023 e-Commerce Trends Forecast:** E-commerce trends saw a boost when the pandemic forced selling to go digital. But has this truly become the new normal? Find out in this year's report, where we'll reveal the results of our survey on e-commerce behaviors and trends we expect in the industrial market.
- The report will appear in print and ID's editors will cover the results in a live podcast.
 - Sponsor's logo will appear on the published report
 - Sponsor's logo will appear on Video Podcast presentations (*see example right*)
 - 250 unique leads generated from Video Podcast
 - Corp Profile (same size as paid ad) or double ad size
- The 2023 Industry Forecast
- Emerging Technologies in Distribution
- Product Focus
 - Tools & Equipment
